Responsibilities & Context

- Capture high-quality photo and video content for **VITTORIO LUSSO** and **Kashmira**, ensuring visually compelling, premium, and brand-aligned output for campaigns, products, and promotional materials.

- Operate the company's **Sony FX3** camera and related equipment to produce professional, cinematic, and brand-aligned visuals.
- Handle studio and on-location shoots including **product videos, model shoots, lifestyle content, campaign visuals, reels, testimonials, and event coverage**.
- Execute proper **camera setup, framing, lighting, audio capture, and shot composition** to ensure premium visual output.
- Edit videos for **Facebook, Instagram, YouTube, website, and paid campaigns** in required formats and dimensions.
- Perform **video editing, color correction, color grading, sound sync, subtitle placement, transitions, and final export** while maintaining brand consistency.
- Work closely with the Content Strategist, Creative Team, and Marketing Team to turn approved concepts into compelling visual content.
- Deliver polished content within deadlines while maintaining consistency in quality, tone, and visual identity for both brands.
- Organize, archive, and back up all raw footage, edited files, and digital assets in a structured manner.
- Ensure proper maintenance and handling of the **Sony FX3** and all supporting production equipment.
- Stay updated with current **shooting techniques, editing trends, reels format, and social media video standards** to improve output quality.
- Support campaign launches, collection shoots, promotional activities, and special brand projects as required.
