Business:

With the rapid growth of eye care sector in Bangladesh, a specialized hospital for the treatment of all eye related diseases was much needed. Thus Bangladesh Eye Hospital Mirpur Ltd. was founded on 19th September 2019 with the aim of providing world-class eye care service to the community at an affordable cost. Since then, we have been able to keep pace with the standards set by the international ophthalmology community in relation to outstanding patient care as well as the latest in medical advancements.
