## Responsibilities & Context

Campus Transfer is a global education service provider and consultancy platform that streamlines international university admissions and credit transfers. We are seeking a sharp, highly organized, and versatile Female Executive – HR & Finance to manage our dual operations in remote team administration and financial bookkeeping. As a lean organization, this role serves as the first line of defense for both our people operations and daily accounts.

**Key Responsibilities:**

**HR Operations & Team Monitoring:**

- Conduct initial screening interviews for new applicants who submit CVs to evaluate communication and baseline eligibility.
- Daily verification of distributed team activity and "workfolios" to ensure all members are actively working and productive.
- Monitor teams to verify they are strictly following centralized company protocols, management directives, and daily instructions.
- Manage basic documentation collection and digital onboarding sequences for new hires.

**Finance & Accounts Management:**

- Generate accurate client invoices using company templates and dispatch them promptly.
- Monitor accounts receivable, identify overdue or pending payments daily, and maintain an updated tracking log.
- Flag pending payments directly to the respective sales representatives and coordinate to ensure client follow-ups are completed.
- Maintain, verify, and track daily TA/DA (Travel Allowance/Daily Allowance) lists, field expenses, and incoming bills from the team.
- Record daily cash inflows/outflows, manage digital receipts, and assist management in calculating monthly attendance variances for payroll processing.
