Responsibilities & Context

Financial Management and Accounting:

- Manage day-to-day financial operations in compliance with organizational policies, donor requirements and applicable regulations.
- Maintain accurate accounting records, including cash book, ledger, journals and supporting documentation.
- Prepare and process payment vouchers, journal vouchers, bank reconciliation statements and other accounting records.

- Process staff salaries, volunteer incentives, vendor payments and statutory deductions accurately and on time.
- Maintain financial records in the organization's approved accounting software, ensuring timely and accurate data entry.
- Prepare monthly, quarterly and annual financial reports, cash forecasts, fund requisitions and other financial reports required by management and donors.
- Coordinate banking transactions and maintain effective liaison with banks and relevant authorities.

Budget Planning, Monitoring and Reporting:

- Support the preparation, revision and monitoring of project budgets.
- Maintain budget utilization and procurement request (PR) tracking against approved budgets.
- Monitor project expenditures to ensure spending remains within approved budget limits.
- Conduct Budget versus Actual (BVA) analysis, identify variances and recommend corrective actions.
- Inform the Project Manager of significant budget deviations requiring donor approval or budget revision.

Compliance, Audit and Internal Control:

- Ensure compliance with organizational financial policies, donor regulations and statutory requirements, including VAT, tax and other applicable obligations.
- Verify financial compliance before processing procurement-related payments.
- Maintain complete, accurate and organized financial and administrative documentation for audit, monitoring and donor review.
- Coordinate internal audits, external audits, financial monitoring visits and donor assessments, and follow up on implementation of agreed recommendations.
- Promote accountability, transparency, internal controls and value for money in all financial and administrative processes.

Procurement and Asset Management Support:

- Work closely with the Procurement and Logistics Officer to ensure procurement activities comply with approved budgets, financial procedures and donor requirements.
- Maintain inventory and fixed asset records in coordination with the Procurement and Logistics Officer.

Administration and Human Resource Support:

- Manage office administration, utilities, office supplies, service contracts and other administrative functions.
- Maintain personnel files, attendance and leave records.
- Support recruitment, onboarding and other administrative and human resource processes.

Coordination and Capacity Building:

- Provide financial guidance and orientation to project staff on financial procedures, budget management and donor compliance.
- Communicate updates on financial policies and donor requirements to relevant staff.
- Coordinate effectively with programme, procurement and support teams to facilitate smooth project implementation.

Safeguarding and PSEAH

- Ensure the safety, dignity, and well-being of staff, contractors, volunteers, and community members by preventing abuse, neglect, harassment, exploitation, and discrimination.
- Promote and comply with organizational Safeguarding, Prevention of Sexual Exploitation, Abuse and Harassment (PSEAH), Child Protection, and Code of Conduct policies.
- Identify and mitigate safeguarding risks associated with engineering activities and construction sites.
- Ensure all safeguarding concerns and reportable incidents are immediately reported through approved organizational reporting mechanisms while maintaining confidentiality and a survivor-centred approach.
