Responsibilities & Context

About the Opportunity

We are looking for creative and motivated **3D Designer Interns** to join our fashion-tech team.

This is an open opportunity for **students, freshers, and anyone who knows CLO 3D and Blender**.

You do not need years of experience. If you are passionate about 3D design, garment visualization, fashion, and digital product creation, we would love to hear from you.

Responsibilities

- Create 3D garment mockups and product visuals.
- Use **CLO 3D and Blender** to develop realistic 3D designs.
- Apply prints, logos, artworks, textures, and colors accurately.
- Create front, back, and side views of products.
- Follow reference images and improve visual presentation quality.
