Responsibilities & Context

Job Summary: We are looking for a talented and detail-oriented **Junior Graphic & Presentation Designer** to join our Creative Services team, Red Balloon. This role is ideal for someone with a strong foundation in graphic design principles, excellent presentation design skills, and a passion for visual communication. The selected candidate will collaborate closely with the Graphic Design & Illustration and eLearning Development teams.

The candidate must be eager to learn new tools and will receive training on **Articulate Storyline 360**, **Rise 360**, and other relevant tools, which they will use to support the eLearning development team.

Key Responsibilities:

- Understand and interpret client briefs to visualize ideas and communicate key messages effectively.
- Develop high-quality graphics for print and digital platforms, including logos, icons, banners, standees, infographics, brochures, reports, billboards, social media posts, and marketing materials.
- Support the eLearning team by designing and incorporating graphics into Articulate Storyline 360 and Rise 360 modules (training will be provided).
- Design visually compelling PowerPoint presentations, templates, and layouts for diverse audiences.
- Design graphic assets for video animation and other multimedia projects.

- Craft clean, impactful typography and maintain strong visual hierarchy, layout balance, color harmony, and perspective.
- Produce vector and raster graphics optimized for multiple formats and sizes.
- Apply and adapt brand guidelines into high-impact visual formats.
- Participate in brainstorming sessions and contribute creative ideas for design and storytelling.
- Take feedback constructively and revise designs promptly and accurately.
- Prepare print-ready files with correct specifications and formatting.
- Ensure timely delivery of design materials while maintaining high quality.
- Communicate with clients when needed to clarify objectives or align design direction.
- Stay updated on design trends, tools, and techniques.
- Support in campaigns and events.
- Perform any other relevant tasks assigned by the supervisor.
