Hosna Center (4th Floor), 106 Gulshan Avenue, Dhaka - 1212

Business:

Founded in 1981, IPDC Finance PLC. is Bangladesh's first private sector financial institution and a pioneer in shaping the country's financial services landscape. Since 45 years, IPDC has been playing a transformative role in supporting industrialization, entrepreneurship, and economic progress by delivering innovative financial solutions to individuals and businesses alike. Today, IPDC stands among the country's leading non-bank financial institutions, recognized for its robust financial fundamentals, customer-centric approach, and commitment to innovation. Serving Corporate, SME, and Retail segments, the organization continues to redefine financial experiences through technology-driven solutions, responsible business practices, and a culture of excellence. As we embark on our next phase of growth and transformation, we seek passionate, agile, and forward-thinking professionals who are eager to challenge conventions, embrace innovation, and create meaningful impact. At IPDC, we believe careers should inspire purpose, foster growth, and empower individuals to unlock their full potential. At IPDC, we don't just offer jobs, we offer opportunities to learn, lead, and live unbound.
