Responsibilities & Context

🚀 **We're Hiring – Marketing & Sales Executive (Software)**

Are you passionate about **software sales** and enjoy meeting clients, building relationships, and closing deals? If yes, we'd love to hear from you!

AgamiSoft Ltd. is a **global software company** headquartered in Bangladesh, with business operations in **Bangladesh, the USA, and Canada**. For over **8 years**, we've been helping businesses transform digitally through ERP, CRM, POS, HRM, eCommerce platforms, mobile applications, AI-powered solutions, and custom software development.

We're looking for a **Marketing & Sales Executive (Software)** to help expand our presence in the **Bangladesh market** by connecting with local businesses and introducing them to our innovative software solutions.

📌 Key Responsibilities

✅ Generate new business opportunities in the local market

✅ Visit prospective clients and conduct software demonstrations

✅ Promote AgamiSoft's ERP, POS, HRM, CRM, eCommerce, and custom software solutions

✅ Build and maintain long-term client relationships

✅ Prepare proposals, quotations, and follow up with prospects

✅ Achieve monthly sales targets and business goals

✅ Coordinate with the technical team for successful project delivery

🎯 Requirements

- Bachelor's degree in Business, Marketing, CSE, or a related field
- **Minimum 1 year of experience in Software/IT Sales & Marketing**
- Strong communication, presentation, and negotiation skills
- Good understanding of software products or SaaS solutions
- Willingness to travel for client meetings within Bangladesh
- Self-motivated, target-driven, and passionate about sales

⭐ Bonus Skills

- Experience in B2B software sales
- Knowledge of digital marketing (Meta Ads, Google Ads, LinkedIn Marketing, SEO)
- Experience using CRM tools
- The existing corporate network will be an added advantage

🎁 What We Offer

✔ Competitive salary + attractive sales incentives

✔ Yearly performance appraisal & bonuses

✔ Festival bonuses

✔ Career growth in a fast-growing global software company

✔ Friendly and collaborative work environment

✔ Weekly holidays: **Friday**

Business:

AgamiSoft Ltd. is a fast-growing global software company with operations in Bangladesh, the United States, and Canada, delivering innovative technology solutions that help businesses grow and transform digitally. For over 8 years, we have partnered with startups, SMEs, and enterprise clients to build scalable software products, including ERP, CRM, HRM, POS, eCommerce platforms, AI-powered applications, mobile apps, and custom enterprise solutions. Our products are trusted by businesses across multiple industries and are designed to solve real business challenges through technology. At AgamiSoft, we're not just developing software — we're building the future of digital business. We invest in innovation, AI, product development, and our people. Our team works in a

collaborative, fast-paced environment where ideas are valued, performance is recognized, and career growth is encouraged. If you're looking for more than just a job — if you want to build your career with a company that has a global vision, ambitious goals, and a culture of continuous learning and innovation—AgamiSoft is the place for you.
