Sheltech (Pvt) Ltd

Senior Executive / Assistant Manager - Research, Development & Compliance

Requirements

Education

- Bachelor of Urban and Regional Planning (BURP) from a reputed university.

Additional Requirements

- Age 25 to 28 years
- Experience in the relevant field will be given preference.
- Candidates with prior experience in the real estate sector will be given preference.
- Excellent communication and interpersonal skills.
- Self-motivated with the ability to work under pressure in a fast-paced environment.
- Sound knowledge of the real estate industry and current planning and development issues.

Responsibilities & Context

Sheltech is now hiring! As one of the leading real estate companies of Bangladesh, we take pride in our code compliant designs and quality construction, and have built over 4365 apartments and commercial units in Dhaka city in the last 38 years. We are currently expanding our business and are looking for qualified, sincere and hardworking individuals, who will be able to work in our highly professional, fast-paced and dynamic corporate culture.

Job Responsibilities

- Analyze and interpret the Detailed Area Plan (DAP) 2023–2035 of Dhaka to assess land development opportunities and ensure regulatory compliance.
- Evaluate development potential by assessing parameters such as Floor Area Ratio (FAR), maximum permissible floor area, Maximum Ground Coverage (MGC), allowable number of units, and other development controls.
- Conduct land suitability analyses and development trend analyses to identify potential land for real estate development.

- Prepare various planning and analytical maps using GIS software, including land use maps, superimpose maps, and other maps as required.
- Conduct market research and data analysis to support business planning, project development, and management decision-making.
- Prepare write-ups and content, and design the monthly newsletter of Sheltech.
- Perform other departmental assignments, documentation, and research activities as assigned by the management.
