Responsibilities & Context

Marketing Manager

We are a rapidly growing digital news platform based in Bangladesh, delivering timely, credible, and engaging news across politics, business, technology, sports, entertainment, lifestyle, and current affairs. Our mission is to build one of Bangladesh's most trusted and widely read digital media brands through quality journalism and innovative storytelling.

As we continue to expand, we are looking for a **Marketing Manager** who can lead our marketing operation from strategy to execution. We are looking for someone who understands both journalism and digital media, thinks like a growth strategist, writes compelling campaigns, understands audience behavior, and knows how to build an engaged community around a news brand.

This is a leadership role with complete ownership of marketing initiatives. You will develop the strategy, execute campaigns, manage the creative team, and report directly to senior management.

Daily Tasks & Core Responsibilities

Content Marketing & Social Media Growth

- Develop and execute content distribution strategies across Facebook, Instagram, YouTube, LinkedIn, TikTok, X (Twitter), and WhatsApp Channels.
- Plan and oversee production of short-form videos, news explainers, Reels, YouTube Shorts, and promotional content.
- Work closely with the editorial team to identify high-impact stories and maximize their reach through social media.
- Create engaging campaigns around breaking news, special reports, interviews, investigations, elections, national events, and trending topics.
- Research platform trends, audience behavior, and emerging content formats to increase organic reach and engagement.
- Brief designers and video editors with clear creative direction for graphics, motion design, thumbnails, and promotional assets.

Audience Growth & Digital Marketing

- Develop strategies to grow website traffic, app downloads, newsletter subscribers, and returning visitors.
- Plan, launch, and optimize paid campaigns across Meta, Google, YouTube, and other digital platforms.
- Manage audience targeting, retargeting campaigns, lookalike audiences, and conversion funnels.
- Continuously improve campaign performance through A/B testing of creatives, headlines, copy, landing pages, and audience segments.
- Monitor acquisition costs and optimize marketing spend for sustainable audience growth.

Brand Campaigns & Partnerships

- Develop campaigns that strengthen brand awareness and position the platform as a trusted news source.
- Identify sponsorship, co-branding, and partnership opportunities with corporations, NGOs, universities, and event organizers.

- Coordinate promotional campaigns for exclusive reports, interviews, documentaries, podcasts, and special editorial projects.
- Build long-term relationships with media agencies, advertising partners, and corporate clients.

Copywriting & Campaign Messaging

- Write compelling ad copy, campaign concepts, social media captions, email newsletters, website banners, push notifications, and promotional content in both English and Bangla.
- Maintain a consistent brand voice across all marketing channels.
- Develop messaging that balances audience engagement with editorial credibility and journalistic integrity.

Community Building & Audience Engagement

- Grow and manage online communities across all social platforms.
- Increase audience engagement through live sessions, polls, Q&A discussions, contests, and interactive news formats.
- Monitor audience feedback and identify opportunities to improve user experience and content strategy.
- Build relationships with creators, influencers, journalists, and public figures for collaborative campaigns where appropriate.
- Encourage user-generated content, reader submissions, and community participation.

SEO & Content Distribution

- Work alongside the editorial team to improve search visibility through SEO best practices.
- Identify trending search topics and recommend content opportunities.
- Optimize headlines, metadata, featured images, and article promotion strategies.
- Expand content distribution through newsletters, Google Discover, push notifications, and other audience channels.

Campaign Planning & Marketing Calendar

- Build monthly and quarterly marketing calendars aligned with national events, festivals, elections, sports tournaments, business seasons, and major news cycles.
- Plan campaigns proactively rather than reactively.
- Coordinate closely with editorial leadership to ensure marketing initiatives support key newsroom priorities.

Analytics & Performance Reporting

- Track and report website traffic, user acquisition, engagement, retention, social media performance, video views, newsletter growth, and campaign ROI.
- Monitor KPIs including page views, unique visitors, CTR, session duration, bounce rate, follower growth, engagement rate, watch time, subscriber growth, and cost per acquisition.
- Prepare monthly performance reports with actionable recommendations.
- Analyze competitor strategies and emerging trends in digital publishing to identify growth opportunities.

Team Leadership & Cross-Functional Coordination

- Lead designers, video editors, social media executives, and junior marketing staff.
- Collaborate closely with editors, reporters, product teams, and developers to ensure successful campaign execution.
- Conduct brainstorming sessions for audience growth, special campaigns, and innovative storytelling formats.
- Ensure projects are delivered on time while maintaining high creative and editorial standards.

What a Typical Week Looks Like

- Reviewing audience and campaign performance from the previous week.
- Planning promotional campaigns around major breaking news and special editorial features.
- Coordinating with editors on high-priority stories requiring additional visibility.
- Briefing designers and video editors on social media creatives and short-form video production.
- Optimizing paid campaigns to drive readership, app installs, or newsletter subscriptions.
- Monitoring analytics and adjusting marketing strategies based on audience data.
- Meeting with management to review KPIs, campaign performance, and upcoming initiatives.

Work Environment & Expectations

This is a fast-paced role where news cycles change by the minute. The ideal candidate must be comfortable making quick decisions, managing multiple campaigns simultaneously, and responding rapidly to breaking news while maintaining high standards of accuracy and creativity.

You will be entrusted with significant responsibility, creative freedom, and marketing budgets. In return, we expect ownership, accountability, data-driven decision-making, and measurable growth in audience, engagement, and brand visibility.
