Intern (Business Relationship Management)

Job Description
Join the Office of Information and Communications Technology (OICT) for an exciting internship opportunity in New York, USA! 🌍 This unpaid position lasts three months with the possibility of extending up to six months, preferably full-time (35 hours/week). As an intern, you'll assist with IT projects, support meetings, prepare documentation, and delve into data analytics or project support. Ideal candidates are pursuing or have completed a bachelor's or higher degree in fields like International Affairs, Computer Science, or Data Visualization. While no prior experience is necessary, a good handle on Office 365 tools, cloud technologies, and analytics is a plus! Please note, interns are responsible for their travel and living expenses, and visas may be required. For your peace of mind, THE UNITED NATIONS DOES NOT CHARGE A FEE AT ANY STAGE OF THE RECRUITMENT PROCESS (APPLICATION, INTERVIEW MEETING, PROCESSING, OR TRAINING). THE UNITED NATIONS DOES NOT CONCERN ITSELF WITH INFORMATION ON APPLICANTS' BANK ACCOUNTS.
