Strategy and Policy Officer – Corporate Strategy

Job Description

🌏 Join the Asian Infrastructure Investment Bank (AIIB), a leading multilateral development bank dedicated to financing sustainable, innovative, and connected infrastructure across Asia and beyond. As a Policy and Strategy Officer within the Strategy, Policy and Budget (SPB) Department, you will play a key role in shaping and implementing the Bank's Corporate Strategy and annual business planning process. You will work closely with teams across the organization to coordinate strategic initiatives, support policy development, drive institutional change, and provide data-driven insights that help achieve AIIB's long-term goals. This position involves facilitating cross-department collaboration, supporting working groups, preparing strategic communications, monitoring business plan implementation, and engaging with internal and external stakeholders. The ideal candidate has 5–8 years of experience in strategy, business planning, consulting, or organizational transformation, along with strong analytical, communication, and project coordination skills. A master's degree in public policy, economics, business, finance, or a related field is required. Experience in international organizations, development finance, or multi-country environments is highly valued. 🚀 AIIB offers an inclusive and diverse workplace where talented professionals can contribute to sustainable development and meaningful impact across the region and globally.
