Summary

We are seeking an experienced Accounting and Reporting Manager to lead the accounting and financial reporting function. The successful candidate will oversee the General Ledger (GL), Accounts Receivable (AR), Accounts Payable (AP), and the month-end and year-end closing processes while ensuring compliance with IFRS and company policies. This role requires strong leadership, analytical skills, and the ability to deliver accurate financial reports that support strategic business decisions.

Description

- Lead and oversee the General Ledger (GL), Accounts Receivable (AR), and Accounts Payable (AP) functions.
- Manage the monthly, quarterly, and annual financial closing processes, ensuring accuracy and timely completion.
- Prepare and review financial statements and management reports in compliance with IFRS.
- Ensure the accuracy of accounting records, reconciliations, and journal entries.
- Develop, implement, and improve accounting policies, procedures, and internal controls.
- Monitor financial performance and provide analysis and recommendations to senior management.
- Lead budgeting, forecasting, and variance analysis activities.
- Coordinate with internal and external auditors and ensure compliance with regulatory requirements.
- Manage ERP accounting systems and support process improvement initiatives.
- Lead, mentor, and develop the accounting team to ensure high performance and continuous improvement.

Job Requirements

- Bachelor's degree in Accounting, Finance, or a related field.
- 7+ years of progressive experience in accounting and financial reporting.
- Strong hands-on experience with General Ledger (GL), Accounts Receivable (AR), Accounts Payable (AP), and Month-End/Year-End Closing.
- Solid knowledge of IFRS and financial reporting standards.
- Experience in preparing financial statements and management reports.
- Strong knowledge of budgeting, forecasting, and financial analysis.
- Experience working with ERP systems such as SAP, Oracle, Microsoft Dynamics, or similar.
- Professional certifications such as SOCPA, CPA, ACCA, or CMA are preferred.
- Proven leadership experience with the ability to manage and develop accounting teams.
- Excellent analytical, problem-solving, communication, and stakeholder management skills.
- Advanced proficiency in Microsoft Excel and financial reporting tools.
