Amazon VA
TalentPop App

About the job

Join TalentPop App as an Amazon E-Commerce Operations Assistant (Remote)

Are you an e-commerce expert who knows the ins and outs of Amazon Seller Central? TalentPop App is seeking a highly organized and results-driven individual to take ownership of our Amazon marketplace operations. From maintaining stellar product listings to analyzing performance data and managing inventory, you will be a critical part of our success on one of the world's largest e-commerce platforms.

What You'll Do

- Manage and optimize all Amazon product listings (titles, bullet points, A+ content) for maximum discoverability and conversion.
- Monitor key performance indicators (KPIs) like Best Seller Rank (BSR), impressions, and conversion rates, providing weekly performance reports.
- Proactively manage and reconcile FBA (Fulfillment by Amazon) and FBM (Fulfillment by Merchant) inventory levels to prevent stockouts or overstocking.
- Handle case submissions to Amazon Seller Support for issue resolution, policy clarification, and account health maintenance.
- Conduct competitor analysis and keyword research to identify new product opportunities and enhance existing listing visibility.
- Monitor and manage customer feedback, product reviews, and Amazon Brand Health metrics.

What We’re Looking For

- At least 1 year of hands-on experience working directly with Amazon Seller Central.
- In-depth knowledge of Amazon policies, algorithms, and listing optimization best practices.
- Familiarity with Amazon tools (e.g., Helium 10, Jungle Scout, or similar research tools) is a plus.
- Highly analytical and detail-oriented, with a proven ability to manage complex data and inventory systems.
- Exceptional written communication skills for creating compelling listing copy and professional seller support correspondence.
- A proactive mindset and ability to work independently in a fast-paced, goal-oriented environment.

Technical Requirements

- Reliable internet connection with a minimum of 25 Mbps for both upload and download speed.
- Personal PC or laptop with a minimum i5 processor.

Perks Of Working With TalentPop App

- Fully remote work setup with flexible collaboration.
- Paid time off to rest, recharge, and stay balanced.
- Health and dental coverage to keep you feeling your best.
- Recognition programs and growth opportunities within the team.
- Exciting holiday incentives and other team rewards.

Important: Application Instructions

To be considered for this position, please make sure to include the following application code in your submission: AVA26. This code helps us quickly identify applicants for the Amazon E-Commerce Operations Assistant role. Applications submitted without this code may experience delays in processing. Be sure to highlight it clearly when you apply so our recruitment team knows you've carefully read the job posting.

This is your chance to grow your Amazon expertise while contributing to a collaborative and forward-thinking remote team at TalentPop App.

Sound like a fit? We'd love to get to know you—apply now and bring your expertise to our team!
