## About the job

Business Development Executive InternCompany Description

Prakthiki Spark is a fast-growing organization committed to bridging the gap between industry and talent through internships, training programs, and career development initiatives. We collaborate with leading organizations to provide students and graduates with practical exposure and employment opportunities while helping businesses build skilled talent pipelines.

At Prakthiki Spark, we foster a culture of innovation, collaboration, integrity, and continuous learning. Our team is passionate about creating meaningful career opportunities and delivering value to our partners across India.

Role Description

Prakthiki Spark is hiring Business Development Executive Interns for a full-time, on-site internship at our Kondapur, Hyderabad office.

As a Business Development Executive Intern, you will be responsible for identifying potential clients, generating leads, converting prospects into customers, maintaining client relationships, and contributing to business growth. You will work closely with the business development team and gain hands-on experience in sales, client acquisition, and corporate communication.

This internship is ideal for motivated individuals who want to build a career in Business Development, Sales, Marketing, or Client Relations.
