Business Development Executive

HTR Strategy · Dhaka, Dhaka, Bangladesh (Hybrid)

Company Description: HTR Strategy is a growth-focused consultancy that helps businesses unlock their potential through tailored strategies in branding, operations, and market expansion. The organization supports both startups and established companies, offering data-driven planning and smart execution to simplify the path to scalable growth. With a strong emphasis on global insight and brand scaling, HTR Strategy partners closely with clients to design practical solutions that drive measurable results. The team values collaboration, innovation, and long-term client success, creating an environment where strategy professionals can make a tangible impact.

Role Description: The Business Development Executive will play a key role in driving new business opportunities and supporting the growth of client portfolios. This is a part-time, hybrid role based in Dhaka, with flexibility for some work from home. Day-to-day responsibilities include identifying and qualifying leads, conducting outreach to prospective clients, and nurturing relationships through effective communication and follow-up. The role involves preparing and delivering proposals, coordinating with internal strategy and operations teams, and supporting account management activities to ensure client satisfaction and retention. The Business Development Executive will also track performance metrics, maintain accurate records in CRM tools, and contribute insights to refine business development strategies.

Qualifications

- Candidates should possess skills in New Business Development and Lead Generation to identify, pursue, and convert growth opportunities.
- Candidates should possess skills in Business and Account Management to handle client relationships, support ongoing engagements, and contribute to strategic planning.
- Candidates should possess strong Communication skills to engage prospects, present solutions clearly, and collaborate effectively with internal teams.
- Experience in sales, consulting, or business growth roles, preferably in strategy or professional services environments.
- Ability to work independently, manage multiple priorities, and meet targets in a hybrid work setting.
- Proficiency with CRM tools, presentation software, and basic data analysis for reporting and forecasting.
- Bachelor’s degree in Business/Undergrad Student, Marketing, Economics, or a related field, or equivalent practical experience.
- Strong analytical thinking, negotiation skills, and a commitment to ethical, inclusive business practices.
