Content Creator Intern

Shah Alam, Selangor, Malaysia

Company Description: GT-Max Motors (M) Sdn Bhd is an established automotive company based in Shah Alam, focusing on providing customers with reliable vehicles and quality service. The company values professionalism, customer satisfaction, and continuous improvement in all aspects of its operations. GT-Max Motors offers a collaborative work environment where team members can learn about the automotive industry and develop practical skills. As the company grows, it is committed to nurturing new talent and providing opportunities for interns to gain hands-on experience in content creation and digital communication.

Role Description: This is a full-time, on-site Content Creator Intern role based in Shah Alam. The intern will assist in planning, creating, and publishing content for digital platforms, including social media, websites, and marketing materials. Daily tasks include drafting posts, capturing photos or short videos of vehicles and events, and supporting basic graphic or video editing under guidance. The intern will help maintain content calendars, monitor engagement, and suggest ideas to improve brand presence. Collaboration with the sales and marketing team is expected to ensure content is accurate, engaging, and aligned with the company's brand.

Qualifications:

- Candidates should possess basic content creation skills, including writing clear captions, creating simple visuals, and assisting with photo or video shoots.
- Candidates should possess basic digital and social media skills, such as understanding common platforms (e.g., Instagram, Facebook, TikTok) and tracking simple engagement metrics.
- Candidates should possess organizational and collaboration skills, including managing tasks, following content schedules, and working well with different team members.
- Candidates should possess communication skills, including strong written and spoken English; proficiency in Bahasa Malaysia or other languages is an advantage.
- Currently pursuing or recently completed a diploma or degree in Marketing, Mass Communication, Media, Design, or a related field is preferred.
- Basic knowledge of design or editing tools (e.g., Canva, Adobe Creative Cloud, or similar) is an added advantage.
- Interest in the automotive industry and willingness to learn, with a positive attitude and readiness to work on-site in Shah Alam/ Kapar Klang.
