Customer and Sales Engagement Specialist
APAC

About the job

Join TalentPop App as a Customer and Sales Engagement Specialist!

At TalentPop App, we're building a team of talented remote professionals who are passionate about creating exceptional customer experiences and driving business growth. As a Customer and Sales Engagement Specialist, you'll play a key role in engaging customers, identifying sales opportunities, recovering lost revenue, and building lasting relationships that contribute to the success of our growing organization.

If you’re passionate about sales, thrive in e-commerce environments, and enjoy turning customer conversations into opportunities, this role is for you!

IMMEDIATE ACTION REQUIRED: APPLICATION FAST-TRACK!

To ensure your application is reviewed by the **Recruitment Team**, you must follow these critical steps exactly. **Applications that do not choose 'Brand Concierge' and enter the correct code WILL NOT be reviewed.**

- When selecting the position during your application, please choose “Brand Concierge” from the list of available roles.
- In the application form, you’ll be asked for an application code – please enter CSA/strong> in that field.

What You’ll Do

- Engage Customers: Communicate with shoppers via phone, email, live chat, and SMS to assist with inquiries, orders, and product recommendations.
- Drive Sales: Identify and execute opportunities for upselling, cross-selling, and product bundling to increase conversion rates and average order value.
- Recover Sales: Handle subscription recovery, winbacks, and abandoned cart assistance to re-engage customers and boost retention.
- Order Management: Manage order-related concerns such as tracking, returns, and exchanges, ensuring a positive post-purchase experience that encourages repeat sales.

- Represent the Brand: Deliver a concierge-level experience, ensuring each interaction aligns with the brand's tone, voice, and service standards.
- Maintain Insights: Record accurate customer data, monitor feedback trends, and collaborate with internal teams to enhance the sales process and customer journey.

What We're Looking For

- At least 1 year of proven remote/online sales and customer support experience.
- Must have prior e-commerce experience (comfortable with upselling, cross-selling, subscription recovery, abandoned cart assistance, or post-purchase support).
- Strong persuasive communication skills and a natural ability to convert leads and close opportunities through excellent relationship-building.
- 1 year of customer service experience via phone, email, or chat is required; e-commerce sales experience is a big plus.
- Familiarity with Shopify, CRM tools, or customer engagement platforms is a plus.
- Self-motivated, goal-oriented, and able to thrive in a fast-paced remote environment.

Technical Requirements

- A personal PC or laptop with an i5 processor or higher.
- A stable internet connection with at least 25 Mbps upload and download speeds.
- A quiet, professional workspace for calls.

Why Join TalentPop App?

- Earn commissions and enjoy annual performance-based raises.
- Paid time off to relax and recharge.
- HMO health coverage or a monthly health stipend for your well-being.
- Performance and recognition bonuses for top achievers.
- 100% permanent work-from-home setup — skip the commute!
- A supportive, friendly team culture with real opportunities for growth.

Ready to connect with customers, drive e-commerce sales, and deliver an exceptional online shopping experience? Apply now to become a Customer and Sales Engagement Specialist at TalentPop App!
