Digital Marketing Manager
Riyadh, Saudi Arabia

About the job

Focus:

Performance Marketing, Digital Media Acquisition, Growth Hacking & Brand Strategy Sector

Core Competencies:

Omnichannel Campaign Architecture, Multi-Platform Media Buying, Data Analytics & ROI Engineering, and Team Leadership

The Mandate:

➔ Drive the strategic design and end-to-end execution of full-funnel digital marketing strategies for agency clients, translating commercial objectives into highly profitable digital growth and maximized return on ad spend (ROAS).

➔ Implement rigorous, cross-channel performance marketing frameworks across Google Ads, Meta Ads Manager, TikTok, Snapchat, and programmatic ad networks simultaneously.

➔ Audit live campaign metrics, budget allocations, and performance tracking configurations daily to eliminate variance discrepancies and optimize cost-per-acquisition (CPA) structures.

➔ Optimize content and conversion velocities by collaborating with creative and copy teams to engineer high-converting visual assets, while building granular web analytics and performance dashboards for stakeholders.

The Profile:

➔ Tenure & Agency Track: 5+ years of verified, progressive performance marketing experience operating strictly within professional Marketing and Advertising Agencies.

➔ Platform Mastery: Expert-level tactical knowledge of paid search, paid social, SEO, and email automation ecosystems, backed by advanced analytical tool usage (Google Analytics 4, Looker Studio).

➔ Language Architecture: Strong bilingual communication proficiency across both written and spoken English and Arabic business correspondence.

➔ Operational Persona: A highly strategic, numbers-driven digital marketer displaying strong leadership traits, exceptional client-facing presentation habits, and the agility to guide a cross-functional team under tight agency timelines.

Work Conditions & Benefits:

➔ Entity: Prominent, fast-paced marketing and advertising agency delivering high-impact digital transformation and creative solutions for top-tier regional brands.
➔ Strategic Focus: Scalable Client ROI, Full-Funnel Digital Innovation, & High-Velocity Performance Optimization.
➔ Reward Structure: Highly competitive agency compensation package scaled precisely to digital media spending depth, conversion track records, and strategic marketing depth.
➔ Environment: Professional, innovative, and highly collaborative agency framework based in the central business and tech hub of Riyadh, KSA.
