Position: **Events Coordinator**

Location: Abu Dhabi, UAE

WHO WE ARE

OliOli® was our first pioneering project - a childrens museum that redefined play and learning by creating immersive galleries for open-ended exploration. Building on this foundation, we are now bringing Hoppi® - a new play destination for families - coming soon to a new mall in Abu Dhabi. Hoppi® is designed especially for children aged 2–8, combining active physical play experiences with engaging, hands-on exhibit zones. It is a space where children can play, imagine, and explore, while parents enjoy a safe, enriching, and welcoming environment.

Hoppi® aims to be a beloved family destination in Abu Dhabi, adding joy, creativity, and playfulness to the lives of families.

NOTE FROM OUR FOUNDERS

We are young parents who have been blessed to follow our dream. Our dream is for children to be happier, more creative, more imaginative, more informed, inspired, aware, balanced, and amazed. We aim to see joy on children's faces.
