Location: work from home/Remote
Stipend: No Stipend
Training: Training will be provided before internship begins
Registration fee: 199/- registration fee (paid only after orientation)

About Cook n Klean:

Cook n Klean is a service-based organization dedicated to offering quality home and kitchen cleaning and organizing solutions. We focus on building a strong, efficient, and sustainable business model — and our finance team plays a key role in achieving this mission.

Role: Finance Intern

As a Finance Intern, you will gain practical exposure to financial management, budgeting, reporting, and analysis. You'll work closely with the finance team to understand real-world financial operations and assist in maintaining financial data and reports.

🔷Key Responsibilities
Assist in maintaining daily financial records and documentation.
Support in preparing financial reports and expense summaries.
Help with data entry, bookkeeping, and reconciliation tasks.
Assist in analyzing budgets and tracking financial performance.
Work with the team to ensure accuracy in all financial transactions.

🔷Training Provided
Basics of financial management and reporting

Excel and data handling skills

Budgeting and expense tracking

Financial documentation and analysis

🔷Who Can Apply

Students or recent graduates in Finance, Commerce, Accounting, or related fields

Strong analytical and numerical skills

Basic knowledge of MS Excel or Google Sheets

Eager to learn financial operations in a real-world setup

Available for a full 45-day remote internship

🔷Perks & Benefits

Certificate of Completion

Letter of Recommendation (for top performers)

1-week training before internship

Hands-on exposure to real-time finance tasks
