General Accounting Associate
Tuzla, Istanbul, Türkiye

About the job

Inspire progress with us, today and tomorrow!

Discover Şişecam

We were founded under the visionary leadership of Mustafa Kemal Atatürk, embracing modernity, growth, and prosperity. With 90 years of expertise, a team of nearly 23,000 dedicated employees, production facilities spanning 13 countries across four continents, and a sales network in more than 150 countries, Şişecam is steadfast in its 'Global Excellence' strategy.

Every achievement we make is a testament to the power of unity and shared dreams. We are committed to sustainable growth, ensuring that our endeavors enrich both our present and future generations.

Now, imagine being part of this dynamic community. Imagine your ideas shaping the future of a global leader. At Şişecam, your creativity and passion are not just welcomed—they are the driving force behind our progress. Here, you will find a place where your innovation is celebrated, and your efforts make a tangible impact on the world.

Join us, and let’s create a brighter future together. Being part of a team that is not just a workplace, but a community where every voice matters. Be part of a story where your contributions drive us forward. Be a part of Şişecam and let’s build a world of progress and prosperity together.

More about the Role

- Performing manual and automated journal entries for the general ledger, including revenue accruals and expense provisions
- Creating period accrual objects and recording monthly expense entries
- Controlling payroll summary records and maintaining related accounts
- Preparing standard reports in line with the reporting calendar
- Maintaining and monitoring general ledger accounts
- Executing month-end closing activities within the defined closing schedule
- Taking an active role in the closing process, ensuring timely completion and coordinating with relevant departments in case of delays

All About You

- Bachelor’s degree from a 4-year university (Economics, Business Administration, Finance, Public Finance, Accounting, or related fields)
- Proficiency in MS Office applications
- Preferably holding a CPA (SMMM) certification
- Good command of English

- Ability to communicate effectively and work in a proactive, dynamic, and team-oriented manner
- Ability to plan, organize, solve problems, and follow up effectively
- Preferably experienced in SAP S/4HANA
- Minimum of 2 years of experience in accounting

What Awaits You Here?

At Şişecam, our global transformation and expansion create a vibrant business environment. With a strong focus on digitalization, you'll engage in dynamic digital and analytical projects, developing valuable technology skills and gaining insights into innovative business models and processes.

We understand that a fulfilling career is more than just exciting work opportunities. That's why we offer a competitive salary and inclusive benefits that promote work-life balance, wellbeing initiatives, and social activities. Our mentoring, leadership development, and training programs provide robust support for your personal and professional growth. In our diverse working environment, individuals from various nationalities, backgrounds, and functions come together. We offer local and international career development opportunities, allowing you to enrich your professional experience, stretch your abilities, and maximize your potential throughout your career journey.

Equal Opportunities Today, Better Tomorrows

We are committed to providing a fair and safe work environment where human rights are respected, and every employee feels valued and empowered to contribute. We ensure equal opportunities at all levels, regardless of race, nationality, gender, sexual orientation, social or personal status, health, marital status, religion, personal belief, disability, age, or other characteristics, in line with international and local legislation.
