About The Company
Marketplace Maniacs GmbH is a dynamic and innovative company specializing in e-commerce solutions with a particular focus on Amazon marketplace optimization. With over 25 years of expertise, we are committed to helping brands and sellers increase their visibility, sales, and brand recognition through tailored strategies and high-quality visual content. Our team comprises passionate professionals dedicated to delivering measurable results and fostering a collaborative work environment. We pride ourselves on staying at the forefront of industry trends and leveraging cutting-edge technologies to ensure our clients' success in the competitive online marketplace.

About The Role
We are seeking a talented and creative Grafikdesigner Amazon Visual Content (m/w/d) to join our vibrant content team. In this role, you will be responsible for designing and optimizing visual content that enhances product listings on Amazon. Your creative skills, combined with a data-driven approach, will directly impact the performance and conversion rates of our clients' products. You will work closely with cross-functional teams, including advertising and account management, to develop visual strategies that elevate brand presence and drive sales. This position offers an exciting opportunity to shape the visual identity of international brands and contribute to their success in the e-commerce landscape.

Qualifications
The ideal candidate will have a solid background in graphic design, with relevant education and professional experience. You should possess:

- A completed apprenticeship or degree in graphic design, media design, or communication design
- At least 2 years of professional experience in graphic design, preferably within e-commerce or Amazon environments
- Proficiency in Canva, Adobe Creative Suite (Photoshop, Illustrator, InDesign), and other relevant tools
- Experience creating conversion-oriented content for digital platforms
- An interest in the development and application of AI-based content solutions
- A keen eye for design, visual storytelling, and brand aesthetics
- Strong analytical skills and the ability to make data-driven decisions
- Fluent German and English language skills, both written and spoken; additional languages such as French, Italian, or Spanish are a plus
- Self-motivation, responsibility, and a passion for teamwork and collective success

Responsibilities

As a key member of our creative team, your responsibilities will include:

- Conceptualizing and designing product images, infographics, A+ Content, and Brand Stores tailored for Amazon listings
- Optimizing existing visuals to enhance brand impact and increase conversion rates
- Selecting and editing images in compliance with Amazon guidelines, performance objectives, and brand standards
- Developing visual strategies to improve product visibility and sales performance
- Creating detailed briefs for photoshoots and coordinating with photographers and external service providers

- Collaborating with marketing and sales teams to align visual content with overall brand messaging
- Staying updated on industry trends, Amazon policies, and emerging technologies to continually improve visual content quality

Benefits

At Marketplace Maniacs GmbH, we value our employees and offer a comprehensive benefits package, including:

- Work with an experienced team boasting over 25 years of Amazon expertise
- Creative freedom and active participation in shaping processes and strategies
- Competitive salary structure with performance-based bonuses
- Access to sports and health programs through Wellpass
- Modern workplace located in the heart of Munich with regular team events such as outings, Oktoberfest visits, and social gatherings
- Company-provided smartphone (iPhone) for personal use
- Flexible hybrid working model, including work from home on Mondays and Fridays
- Engagement with a young, ambitious team with high professional standards
- Opportunities for professional development, ongoing training, and career growth in e-commerce
- Possibility to take a sabbatical for personal development or travel

Equal Opportunity

Marketplace Maniacs GmbH is committed to fostering an inclusive and diverse workplace. We welcome applications from individuals of all backgrounds, regardless of gender, age, ethnicity, sexual orientation, or disability. We believe that a diverse team drives innovation and creativity, and we strive to provide equal opportunities for all candidates and employees. Our hiring process is transparent and based solely on qualifications and merit, ensuring a fair chance for everyone interested in joining our team.
