- At least five (5) years of working as experience specializing in Human Resources, Administrative Support, Operations Management or equivalent
- Proficiency in MS Office (MS Excel and MS PowerPoint, in particular)

- Strong problem-solving skills and ability to multitask effectively
- Excellent communication and interpersonal abilities
- Ability to handle confidential information with discretion - Excellent time management skills and the ability to prioritize work
- Attention to detail and problem-solving skills
- Strong organizational skills with the ability to multi-task
- Calm demeanor and ability to maintain grace under pressure

It all starts with people. The world needs metals and minerals for the energy transition and our cities and infrastructure must be developed to serve a growing population. To succeed, we need to speed up the shift towards more sustainable mining and construction industries. We at Epiroc accelerate this transformation, together with customers and business partners in more than 150 countries, by developing and providing innovative and safe equipment, digital solutions, and aftermarket support.

All new thinkers are welcome. We are looking for those who want to develop, grow, and dare to think new. In Epiroc we attract, develop, and retain diverse talent valuing authenticity and unique perspectives, driving our spirit of innovation. We foster an inclusive culture where diversity isn't just a goal but a part of our values and way of working. This is how we do business for a sustainable future. Learn more at www.epiroc.com
