Intern – Supply Chain Management / Procurement Operations

Q Collection

About the job

About Q:

The Apparel Industry Needs a Revolution. Be the Leader.

At Q, we build on the quality and resourcefulness of our people, and we nurture a spirit of innovation. With wide-ranging roles involved in our apparel manufacturing business, we are keen to attract dynamic, talented, and motivated individuals, who are ready to contribute to the achievement of our goals.

Q Collection Pte Ltd, established in 1993 and headquartered in Singapore, is a leading apparel manufacturer with a proven track record of innovation and ethical practices. Operating under "SQ Group" in Bangladesh (https://www.linkedin.com/company/sq-group/), we've garnered recognition for our commitment to sustainable production processes and social responsibility. Q Collection actively seeks partnerships and investments aligned with our vision for a more sustainable future in the fashion industry. Our dedication to responsible manufacturing has positioned them as a trusted partner for major brands, solidifying our position as a frontrunner in the evolving landscape of apparel production.
