Manager, Monitoring, Evaluation, Research and Learning (MERL), Early Childhood Development, HCMP
BRAC

About the job

BRAC is an international development organisation founded in Bangladesh that partners with over 100 million people living with inequality and poverty globally to create sustainable opportunities to realise potential. Working at BRAC is not like any other job. It is a platform where you can bring about real change for people who need it the most. We are not just dreaming of a better world; we are building it. Join us to find the way.

Purpose:

The Manager MERL supports the design and implementation of Monitoring, Evaluation, Research and Learning systems of BRAC-LEGO strategic partnership project to ensure programme quality, accountability, evidence generation and adaptive programme management. The role contributes to planning, capacity strengthening, data management and reporting to support programme effectiveness and strategic decision making across departments.

Job Description/Responsibilities:

- Conduct regular monitoring visits to programme sites including Humanitarian Play Labs and other programme interventions to assess adherence to programme guidelines and implementation standards.
- Conduct Data Quality Assurance exercises to validate programme data, ensure completeness and reliability of datasets and strengthen monitoring and reporting systems.
- Identify monitoring gaps and operational challenges in the field and support management in refining monitoring frameworks and implementation strategies.
- Prepare monitoring tools, observation checklists and survey instruments in coordination with the supervisor and programme management.
- Conduct surveys, Focus Group Discussions, Key Informant Interviews and other monitoring activities to collect qualitative and quantitative data that informs programme learning and improvement.
- Analyse monitoring findings and prepare regular monitoring reports including monthly, quarterly and urgent reports as required.
- Present monitoring findings and programme insights in meetings and learning forums with internal and external stakeholders.
- Support evaluation partners for evaluation, assessments, research, and capturing programme learnings.
- Prepare and maintain MIS dashboard using visualisation tools and using robust data collection mechanisms.
- Prepare and update programme visuals, one pager, info graphs and presentation as per requirement, support in preparing donor reports.

- Maintain regular coordination with programme teams, headquarters units and relevant departments to ensure effective data flow and programme alignment.
- Support capacity development of MERL Officers and field staff through training, mentoring, workshops and regular feedback.
- Strengthen programme learning by supporting reflection sessions and ensuring that monitoring and research findings inform programme improvement and adaptive management.

Safety and Safeguarding:

- Ensure the safety of Programme Participants, people who come into contact with the organisation, and team members from harm, abuse, neglect, harassment, and exploitation, including sexual exploitation and abuse (SEA), to achieve the programme's goals of safeguarding implementation. Act as a critical source of support, guidance, and expertise on safeguarding to establish a safe working environment.
- Practice, promote and endorse the issues of safeguarding policy among team members and ensure the implementation of safeguarding standards in every course of action.
- Follow the safeguarding reporting procedure in case any reportable incident occurs and encourage others to do so.

Educational Requirements:

- Masters in Statistics/Anthropology/Sociology is desirable from any UGC approved reputed University or institute.
- PGD in Data Science or any relevant short course related to research learning and evaluation will be given priority.

Experience Requirement:

- At least 5 years of work experience of programme development and programme management in education sector or any other relevant field of NGO/INGO.

Additional Requirements:

- Strong knowledge on Education in Emergency, play-based learning, and child safeguarding in humanitarian and development contexts.
- Strong understanding of monitoring and evaluation framework, result based framework, planning and reporting mechanism.
- Strong skills in budgeting, communication, monitoring, research and report writing to support program implementation and evaluation.
- Excellent proficiency in English (spoken and written); working knowledge of Bangla and/or Rohingya dialects is an asset.
- Proficiency in MS Office, project management tools, and digital collaboration platforms.
- Commitment to BRAC's values, safeguarding, accountability, and gender-transformative programming.
- Ability to operate in a complex organization, across functions and work on own initiative and collaboratively as part of diverse teams.

Salary: Negotiable.

Other Benefits: Festival Allowance, Health & Life Insurance, Paternity/ Maternity leave and others as per organisation policy.

Job Location: Cox's Bazar

Last Apply Date: 2 July 2026

Other Way to Apply: You may apply through bdjobs.com or send your updated CV to resume.hcmp@brac.net mentioning the name of the position "Manager, Monitoring, Evaluation, Research and Learning (MERL), Early Childhood Development, HCMP" in the subject line.

This position is open for Bangladeshi nationals only.

BRAC believes that everyone we work with including our staff, programme participants, partners, and the communities have the right to be protected from all forms of harm, abuse, neglect, harassment, and exploitation including sexual exploitation and abuse (SEA). We uphold human dignity and inclusion for all, regardless of race, religion, gender, disability, ethnic origin, or socio-economic condition. As an equal-opportunity employer, we actively encourage applications from gender-diverse individuals and people with disabilities.

Selected candidates will have to go through a rigorous reference and background checking process which may include police verification.
