Online Marketing Specialist (18-Month Contract)
Burnaby, BC

About the job

Why BCAA?

Feel proud of what you do and help shape the future of BC at a BC Top Employer. We're driven by purpose – delivering peace of mind to one in three BC households with insurance, roadside assistance, auto repair, Evo Car Share and Evolve E-Bike Share. With a long history of keeping roads safe and giving back in ways that build stronger communities, we offer a wide variety of meaningful, rewarding careers that move BC forward.

The Online Marketing Specialist – Social Media is responsible for managing BCAA's social media presence with a strong focus on customer service, real-time engagement, content publishing, and performance analytics. This role is a Full-Time 18-Month contract.

This role plays a key part within the Digital Engagement team and works closely with Content / Brand Marketing to deliver consistent, on-brand experiences across all social channels.

The ideal candidate is highly engaged in social media, customer-first in mindset, and skilled at building relationships, driving engagement, and translating insights into action.

Key Responsibilities

Social Media Customer Service & Community Management

- Act as the primary point of contact for customer interactions across social media channels.
- Monitor social platforms in real time to respond to inquiries, comments, and issues in a timely, accurate, and on-brand manner.
- Escalate customer concerns appropriately and partner with internal teams to ensure resolution.
- Proactively manage BCAA's online reputation and identify emerging issues or risks.

Content Publishing & Engagement

- Execute the day-to-day publishing of social media content aligned with the content calendar and brand campaigns.
- Collaborate closely with the Content team in Brand Marketing to ensure messaging consistency and campaign alignment.
- Recommend post optimizations for each platform to maximize reach, engagement, and relevance.
- Actively engage with the audience to build community, increase interaction, and grow followers.

Social Media Strategy & Calendar Management

- Maintain and execute the social media content calendar in alignment with marketing priorities and campaign timelines.
- Provide input into content planning based on audience trends, engagement insights, and platform best practices.
- Work with Brand to ensure all content reflects BCAA's brand voice and customer-first approach.

Social Media Analytics & Reporting

- Own social media performance tracking, reporting, and insights.
- Define and monitor KPIs (e.g., engagement rates, response times, sentiment, reach, growth).
- Analyze performance across channels and campaigns, identifying trends and opportunities.
- Deliver regular reporting with actionable recommendations to optimize content, engagement, and customer experience.
- Competitor and trend monitoring; Research Social Media environment and identify new trends and opportunities on the channels

Cross-Functional Collaboration

- Partner with Content, Brand and Cconsumer Marketing, Customer Experience, IS, and other internal teams to support integrated campaigns and consistent messaging.
- Collaborate with external agencies where applicable.

Governance, Risk & Compliance

- Ensure all social media activity adheres to privacy, compliance, and brand standards.
- Identify and mitigate risks related to social engagement and public responses.

- Follow established escalation and crisis management protocols when required.

Qualifications

Education

- Post-secondary education in Marketing, Communications, or a related field.

Experience

- 2–3 years of experience managing social media in a medium-to-large organization.
- Hands-on experience in social media customer service and community management.
- Experience publishing content across multiple platforms (e.g., Facebook, Instagram, TikTok, X, LinkedIn).
- Experience with publishing approvals and ideally with an social media engagement tool (ie. Brandwatch or Hootsuite)

Skills & Knowledge

- Strong understanding of social media best practices, trends, and platform capabilities.
- Proven ability to manage high volumes of interactions in a fast-paced environment.
- Experience with social media management and analytics tools.
- Strong analytical skills with the ability to translate data into insights and actions.
- Excellent written communication skills with a customer-first, brand-aligned tone.
- Ability to collaborate cross-functionally, especially with content and brand teams.
- Knowledge of privacy and compliance considerations in digital communications (Canadian context preferred).

Core Competencies

- Customer-centric and responsive
- Detail-oriented with strong judgment
- Proactive and adaptable in a real-time environment
- Strong organizational and time management skills
- Data-driven mindset with continuous improvement focus

The salary range for this position is $62,274.60 to $77,843.16 and is determined via job-related knowledge, skills, experience, certifications, market demand and internal equity. In addition to base

salary and BCAA benefits, this position is eligible for a performance bonus target of 4.8%, with the opportunity to earn up to 9%.

What we offer:
