Outreach Manager

New Delhi, Delhi, India

Company Description: Shoolini University Online is a top-ranked digital learning initiative of Shoolini University, focused on democratizing quality education and removing geographical barriers. Established in 2022, it is India's pioneer in Pay-After-Placement Online Degrees, offering diverse online and distance programs designed for global career opportunities. The university has earned recognition as the No. 1 private university in India in the Times Higher Education Rankings 2023 and holds a place among the Top 200 Global Universities in the Times Higher Education Impact Rankings 2022. It is also ranked as the No. 1 private university in the QS World University Rankings 2024 and 73rd among all Indian universities in the NIRF Rankings 2022. Learners benefit from industry-aligned curriculum, experienced faculty and mentors, a cutting-edge online platform, and strong support for international career growth.

Role Description: The Outreach Manager is a full-time, remote role responsible for expanding awareness and engagement for Shoolini University Online's programs. This role involves planning and implementing outreach campaigns, building and nurturing relationships with prospective learners, partners, and community organizations, and coordinating online events, webinars, and information sessions. The Outreach Manager will collaborate with marketing, admissions, and academic teams to generate leads, support enrollment goals, and ensure consistent messaging across channels. Daily activities include managing communication plans, tracking outreach performance metrics, preparing reports, and continuously refining strategies based on data and feedback. The role also includes representing the university in virtual forums and maintaining a professional, learner-centric approach in all interactions.

Qualifications

- Strong Communication and Public Relations skills to engage diverse audiences and represent the university professionally.
- Demonstrated Project Management abilities to plan, execute, and monitor outreach initiatives and campaigns.
- Experience in Sales and lead generation, particularly in education or services, to support enrollment and partnership goals.
- Proven Community Outreach experience in building networks with institutions, organizations, and online communities.
- Bachelor's degree in Marketing, Communications, Public Relations, Business, or a related field; advanced degree is an advantage.
- Comfort with remote work, digital tools, CRM systems, and virtual event platforms.
- Analytical mindset with ability to use data to refine outreach strategies and report performance.
- Understanding of online education trends and interest in learner success and equitable access to education.
