Project Manager - Growth (Remote)

Philippines

- Role: Project Manager - Growth (Remote)
- Location: Remote (Work from Anywhere)
- Job Type: Contract
- Payout: $63 - $119/hour

Role Overview:

We are hiring for one of our clients, seeking a Project Management Specialist to work on a contract basis. The role involves overseeing project execution, coordinating cross-functional teams, and ensuring timely delivery of deliverables. Responsibilities include managing timelines, budgets, and stakeholder communications.

Key Responsibilities:

• Develop and maintain detailed project plans, timelines, and budgets in alignment with business objectives.

• Coordinate between technical teams, product managers, and external stakeholders to ensure project milestones are met.

• Monitor project progress, identify risks, and implement mitigation strategies to prevent delays.

• Facilitate regular status meetings, document action items, and track resolution of issues.

• Ensure compliance with project management methodologies and company standards.

Required Skills & Qualifications:

• Experience managing complex projects in technology or software development environments.

• Proficiency in project management tools such as Jira, Trello, Asana, or similar platforms.

• Strong communication skills with the ability to liaise between technical and non-technical stakeholders.

• Familiarity with Agile, Scrum, or other iterative project management frameworks.

• Ability to prioritize tasks, manage deadlines, and adapt to changing project requirements.

More About the Opportunity:

This role offers a unique opportunity to work with a global leader in the Software Development | Technology, Information and Internet | IT Services and IT Consulting | Data Infrastructure and Analytics industry, contributing to the delivery of high-impact software solutions. The position supports scalable project execution in a fast-paced, remote environment.

Equal Opportunity Employer:

We hire based on skills and expertise. All qualified candidates are welcome regardless of background, experience, or prior employment history. Applications are reviewed solely on demonstrated technical ability and qualifications.
