Real Estate Agent

Ras Al Khaimah, Ras al-Khaimah, United Arab Emirates

Company Description: Saheel Real Estate is a growing real estate company committed to delivering reliable property services and building long-term relationships with clients. The company focuses on residential and commercial properties, offering support throughout the buying, selling, and renting process. Saheel Real Estate emphasizes transparency, market knowledge, and customer satisfaction in every transaction. Team members are encouraged to take initiative, provide thoughtful guidance, and contribute to a professional, service-oriented work environment.

Role Description: This is a full-time, on-site Real Estate Agent role based in Ras Al Khaimah. The Real Estate Agent will handle property listings, conduct viewings, and guide clients through the buying, selling, and leasing process. Daily responsibilities include prospecting and following up with leads, preparing and presenting property information, negotiating offers, and coordinating with landlords, buyers, and tenants. The role involves maintaining up-to-date knowledge of local market trends, ensuring accurate documentation, and delivering responsive customer service. The Real Estate Agent will collaborate with the team to meet sales targets while upholding company standards and regulatory requirements.

- Candidates should possess strong Sales skills and a proven ability to close deals and meet targets.
- Candidates should possess excellent Customer Service skills and the ability to build long-term client relationships.
- Candidates should possess a clear understanding of Real Property laws and local market regulations.
- Strong communication and negotiation skills, both verbal and written.
- Ability to work on-site in Ras Al Khaimah, manage time effectively, and handle multiple clients and listings.
- Proficiency with basic office software and property listing platforms; familiarity with CRM tools is an advantage.
- Prior experience as a Real Estate Agent or in a sales-focused role is preferred; fluency in English, and Arabic is a plus.
