Sales Professional
Dubai, United Arab Emirates

About the job

Company Description Caribbean Paradise is a Dubai-based boutique advisory firm specializing in Citizenship by Investment for investors, entrepreneurs, and families seeking secure global access. With more than 1,500 successful cases, the firm guides clients through trusted second citizenship solutions via carefully selected Caribbean programs. Caribbean Paradise focuses on global mobility and “Plan B” strategies, handling complex and high-sensitivity cases with discretion and personalized service. The firm builds strong, long-term client relationships based on trust and referrals. Its role extends beyond paperwork, helping clients make informed, strategic, and confident decisions about their global future.

Role Description The Sales Professional will work full time on-site in Dubai, United Arab Emirates, engaging prospective and existing clients seeking second citizenship and global mobility solutions. Day-to-day responsibilities include generating and qualifying leads, conducting consultations to understand client goals, presenting suitable Caribbean citizenship programs, and guiding clients through the advisory and onboarding process. The role involves managing the sales pipeline, preparing proposals, coordinating closely with advisory and operations teams, and ensuring timely follow-up and excellent client service. The Sales Professional will maintain accurate records in CRM systems, contribute to sales reporting and forecasts, and support marketing activities such as events and campaigns. This position requires a consultative sales approach, high integrity, and a focus on building long-term, trust-based client relationships.

Qualifications

- Strong consultative sales and business development skills, including experience with high-net-worth or international clients.
- Excellent communication, negotiation, and presentation skills, with the ability to explain complex programs clearly and confidently.
- Proficiency in relationship management, client service, and CRM tools to manage pipelines and follow-ups effectively.
- Ability to work with sensitive information discreetly, demonstrating professionalism, integrity, and attention to detail.
- Familiarity with investment, immigration, or financial services sectors is highly beneficial.
- Bachelor’s degree in Business, Marketing, Finance, International Relations, or a related field preferred.

- Fluency in English required; additional languages (such as Arabic, Persian, Russian) are a plus.
- Comfort working in a fast-paced, multicultural environment and meeting clear performance and revenue targets.
