Short & Long Form Script Writer

Montaz Medias is looking for a creative and experienced Short & Long Form Script Writer to join our in-house content team. If you're passionate about storytelling and know how to create engaging content for Instagram and YouTube, we'd love to hear from you.

Responsibilities

- Write engaging scripts for Instagram Reels, YouTube Shorts, and Long-Form YouTube videos.
- Research trending topics and develop content ideas.
- Create compelling hooks and storytelling that maximize audience retention.
- Collaborate with the creative and marketing teams to produce high-quality content.
- Adapt writing style based on different brands and target audiences.

Qualifications

- Minimum 1 year of professional experience in script writing.
- Excellent writing skills in English, Telugu, and Hindi.
- Strong understanding of Instagram, YouTube, and social media content trends.
- Ability to research, organize, and present ideas creatively.
- Knowledge of content marketing and digital media is a plus.
- Experience with AI writing tools such as ChatGPT is an added advantage.
