Social Media Content Creator
Dehradun, Uttarakhand, India

About the job

Job Title: Content Creator (Fresher/Experienced)

Job Summary:

We are looking for a creative and enthusiastic Content Creator to create engaging content for our social media platforms. Freshers with strong creativity and a passion for content creation are encouraged to apply.

Responsibilities:

- Create photo and video content (Reels, Shorts, etc.).
- Write engaging captions and basic scripts.
- Stay updated with the latest social media trends.

Requirements:

- Fresher or up to 1 year of experience.
- Basic knowledge of video editing and content creation.
- Creative mindset with good communication skills.
- Familiarity with Canva, CapCut, or similar editing tools is a plus.

Location: Dehradun

Employment Type: Full-Time
