Hire Feed · India (Remote)

- Role: Strategic Project Manager (Finance) - Remote
- Location: Remote (Work from Anywhere)
- Job Type: Full-Time
- Payout: $400K - $550K/yr

Role Overview:

The Strategic Project Lead, Finance will oversee high-impact financial initiatives, ensuring alignment with strategic objectives and operational execution. This role requires translating financial data into actionable insights to drive decision-making across the organization. Candidates will manage cross-functional projects with a focus on financial planning, analysis, and process optimization.

Key Responsibilities:

• Lead strategic finance projects from initiation to completion, including budgeting, forecasting, and variance analysis.

• Collaborate with senior leadership to align financial strategies with long-term business goals.

• Develop and implement financial models to evaluate project feasibility and ROI.

• Oversee financial reporting and compliance, ensuring adherence to regulatory standards.

• Coordinate with finance teams to streamline processes and improve operational efficiency.

Required Skills & Qualifications:

• Minimum 7 years of experience in finance, accounting, or financial project management.

• Proficiency in financial modeling, Excel, and ERP systems.

• Strong analytical skills with the ability to interpret complex financial data.

• Experience leading cross-functional teams and managing stakeholders.

• Knowledge of GAAP, IFRS, or other relevant accounting standards.

More About the Opportunity:

This role offers a unique opportunity to work with a global leader in the Technology, Information and Internet industry, contributing to the modernization of financial infrastructure. The position involves hands-on leadership in high-stakes projects that directly impact the company’s growth trajectory.

Equal Opportunity Employer:

We hire based on skills and expertise. All qualified candidates are welcome regardless of background, experience, or prior employment history. Applications are reviewed solely on demonstrated technical ability and qualifications.
