Strategy Manager (Remote)
India

About the job

- Role: Strategy Manager (Remote)
- Location: Remote (Work from Anywhere)
- Job Type: Contract
- Payout: $50 - $70/hour

Role Overview:

We are hiring for one of our clients, seeking a Management Consultant / Business Strategy Specialist to work on a contract basis. The role involves advising on high-impact business decisions and optimizing operational performance. Candidates will collaborate with cross-functional teams to implement strategic initiatives and drive measurable outcomes.

Key Responsibilities:

• Develop and execute business strategy frameworks to address complex organizational challenges.

• Conduct in-depth market and competitive analysis to identify growth opportunities.

• Design and implement process improvements to enhance operational efficiency.

• Prepare and present strategic recommendations to senior leadership.

• Support client engagements with data-driven insights and actionable solutions.

Required Skills & Qualifications:

• Experience in business strategy, management consulting, or strategic planning required.

• Proficiency in data analysis and financial modeling to support decision-making.

• Strong project management skills with the ability to manage multiple deliverables.

• Excellent communication skills for conveying complex ideas to diverse stakeholders.

• Experience in a relevant industry or functional area is preferred.

More About the Opportunity:

This role offers a unique opportunity to work with a global leader in the technology industry, contributing to the development of scalable solutions that drive long-term growth. The position involves direct engagement with clients to solve critical business problems.

Equal Opportunity Employer:

We hire based on skills and expertise. All qualified candidates are welcome regardless of background, experience, or prior employment history. Applications are reviewed solely on demonstrated technical ability and qualifications.
