Talent Acquisition Partner (m/f/d) EMEA
Olympus Corporation · Hamburg, Hamburg, Germany (Hybrid)

About the job

Your Responsibilities - End-to-end responsibility for the recruitment process, including candidate selection, interviews, active sourcing, contract negotiations, and all related activities across assigned areas, including leadership roles, global positions, and confidential searches.

- Acting as subject matter expert in Talent Acquisition (TA) topics for various business areas or market segments within EMEA
- Consult and influence business stakeholders on TA&A strategies for different positions/competencies, including, niche roles, management positions, global roles and confidential searches.
- Management and prioritization of multiple searches within defined timelines with a focus on the early stages of the talent pipeline (engaging, sourcing and qualifying candidates).
- Management of complex stakeholder engagements at local, EMEA and Global level.
- Build quality data pipelines and regular insights sharing to enable process improvement and informed decision making.
- Regular data-driven reporting to support process improvements and informed decision-making.
- Leading and driving initiatives and projects (e.g., Employer branding, applicant tracking system improvements) at local and EMEA level.
- Management of complex stakeholder engagements at local, EMEA and Global level in a potential ambiguous and fast-paced work environment.
- Build a trusted relationship with leaders, hiring managers and HR partners.

Your qualification - Bachelor’s degree or equivalent experience managing and prioritizing multiple searches, projects, and stakeholder relationships.

- Experience recruiting technical talent in competitive markets.
- Proven track record in both high volume and corporate / niche recruiting.
- Experience executing recruitment strategies, including employer branding, candidate management, diversity sourcing, and interview process management, preferably inhouse recruiting.
- Ability to work proactively and independently, meet deadlines, and deliver on commitments.
- Experience working with LinkedIn Recruiter and similar sourcing tools and techniques.

Your competencies

Your benefits - Flexible working hours, remote work possible (up to 60%)

- 30 days of holidays per year

- Modern office and an inspiring working environment
- Employee restaurant with live cooking and healthy food (subsidized)
- Public transport ticket (100 % subsidized) or free parking space
- Company sport groups and an inhouse company gym
- Employee Assistance Program to support your health, mental and emotional well-being
- A comprehensive company pension scheme
