Excess & Specialty Insurance Underwriters (SME Focus)

We are seeking U.S.-based experts with direct underwriting experience in the Excess & Specialty Insurance market, particularly underwriting SME/commercial accounts.

Engagement Details

- Initial pilot: 4 experts
- Duration: 1 week
- Commitment: ~20 hours per expert
- Potential for follow-on work and a larger engagement

Requirements

- Based in the United States
- 3+ years of experience in Excess & Specialty Insurance underwriting (5+ years preferred)
- Direct experience underwriting SME/commercial risks
- Strong understanding of risk selection, pricing, coverage structuring, and portfolio management

Relevant Backgrounds Experience in lines such as:

- Excess Casualty
- Professional Liability
- Management Liability
- Cyber
- Environmental
- Excess Property
- E&S General Liability
- Construction or Transportation specialty risks

Target employers include leading specialty carriers, MGAs, wholesale brokers, and E&S platforms such as Chubb, AIG, Markel, Arch, AXA XL, Liberty Mutual, Ryan Specialty, Amwins, CRC Group, and similar organizations.
