Freelance Digital Artist Needed
I’m looking for a skilled digital artist/graphic designer to create a highly realistic digital art poster featuring a 1:1 portrait illustration of a girl.
Requirements:
digital painting/art style
Detailed portrait of a girl (square 1:1 format)
Professional poster-quality composition
Creative use of textured typography/font integrated into the design
High-resolution final output suitable for print and social media
Preferred Skills:
Digital Illustration
Digital Painting
Realistic Portrait Art
Photoshop
Adobe Illustrator
Graphic Design
Typography & Text Effects
Poster Design
Please share your portfolio, especially any realistic portrait artwork or poster designs you’ve created.
