[Hiring] - Spain-Based Voice Actors - Remote - Upto $150 per hour

A leading AI lab is seeking **Native Castilian Spanish Voice Actors** to help train next-generation text-to-speech systems for a leading AI research lab.

Pay: $50 to $150/hr
Location: Remote (Spain Only)
Type: Hourly Contract

What you'll record:

• Record conversational and scripted voice samples
• Deliver expressive and natural speech recordings
• Maintain consistency across recording sessions

What we're looking for:

• Native Peninsular Spanish speaker based in Spain
• Experience in voice acting, narration, dubbing, or broadcasting
• Access to a professional-quality recording setup

Additional advantage: Experience with TTS projects, audiobooks, IVR systems, or AI voice datasets is a plus.

Perfect for Voice actors, narrators, dubbing artists, podcast hosts, radio presenters, audiobook narrators, and broadcast professionals.
