QA QC Officer
Location: Sharjah
Salary: AED 3,000 - 4,000

Industry: Cosmetics Manufacturing

Job Brief:

We are seeking a detail-oriented QA/QC Officer to support quality assurance and quality control activities within a cosmetics manufacturing environment. The role is responsible for ensuring product quality, compliance with applicable regulations, adherence to GMP and ISO standards, and maintaining documentation required for approvals and audits.

The ideal candidate will have hands-on experience in the cosmetics industry, strong knowledge of quality management systems, and familiarity with Dubai and Sharjah Municipality approval requirements. This QA/QC Officer Job in Sharjah is an excellent opportunity for professionals looking to grow their careers in quality assurance and quality control within the cosmetics sector.

Job Responsibilities:

- Implement and monitor quality assurance and quality control procedures across manufacturing operations.
- Conduct inspections and quality checks on raw materials, in-process products, and finished goods.

- Ensure compliance with GMP (Good Manufacturing Practices), ISO standards, and internal quality requirements.
- Maintain quality records, inspection reports, and documentation related to quality assurance activities.
- Support product registration and approval processes by preparing and maintaining Dubai Municipality and Sharjah Municipality documentation.
- Investigate quality issues, non-conformities, and customer complaints, and assist in implementing corrective and preventive actions.
- Coordinate with production and other departments to ensure quality standards are maintained throughout the manufacturing process.
- Participate in internal audits, quality reviews, and continuous improvement initiatives.
- Monitor product specifications and ensure compliance with regulatory and company requirements.
- Assist in maintaining quality management systems and supporting external audits and inspections.

Job Requirements:

- Minimum **2 years** of experience as a **QA/QC Officer** or in a similar quality role within the **cosmetics industry.**
- Strong knowledge of **GMP and ISO standards.**
- Experience with **Dubai Municipality and Sharjah Municipality approval documentation** and regulatory requirements.
- Familiarity with cosmetics manufacturing processes and quality control procedures.
- Strong documentation, reporting, and record-keeping skills.
- Good analytical and problem-solving abilities.

- Strong attention to detail and commitment to quality standards.
- Effective communication and coordination skills.
- Ability to work independently and collaboratively within a team environment.
- Immediate joiners will be preferred.
